We have an internal control system that ensures compliance between the manufactured products and the technical documentation.

As the manufacturer, we declare under our sole responsibility that the equipment follows the provisions of the Directive stated above.

We also certify that all components listed above are RoHS 3 compliant and meet the requirements of the current RoHS 3 (2015/863/EU) and WEEE (2012/19/EU) directives.

Bogense september 2025.

A handwritten signature in black ink, appearing to read 'Henrik Larsen', is written over a light gray rectangular background.
